XIT Rural Telephone Educational Program

\$10,000 Available to Rural Members' High School Seniors

We are proud to announce the XIT Rural Telephone Educational Program. As you know, XIT Rural Telephone refunds patronage capital credits to its members each year. And – each year many of these checks remain unclaimed due to various reasons. In the past, XIT was required by the State of Texas to send all unclaimed funds to the State Comptroller's office. However, laws now allow XIT to retain a portion of our unclaimed monies to be used as scholarships.

Eligibility

Applicants must:

- Be a **2022** graduating high school senior from an area high school.
- **Be a son/daughter of an XIT Rural Telephone Cooperative member who is in good standing. Member's telephone number must begin with 377, 384, 727, 769, 343, 753 or 362. Must be a landline number.**
- Enroll in a 2 year or 4 year accredited college or university – or any accredited vocational or technical school.
- Maintain a 2.0 grade point average.

- Be willing to provide to XIT Rural Telephone Cooperative a written status report of his/her progress, including proof of grade point average, hours enrolled and deadline for tuition.
This must be done at the end of each semester before the next installment payment is due for the following semester. Recipients must supply this information to XIT Rural Telephone, without a reminder from XIT, at least 10 days prior to the payment due date.
- Be willing to be interviewed by the Selection Committee if it is necessary in order for the committee to make their final decision.
